SHORT QUOTATION NOTICE

Kochi Municipal Corporation-Main Office Engineering Section-Quotation to Supply and install water Tanks at Brahmapuram Waste Treatment Plant

Kochi Municipal Corporation invites quotation for the Supply and installation of two fire water tanks, each with a capacity of 50,000 liters at Brahmapuram Waste Treatment Plant. The tanks should be fabricated using 6mm thick MS sheets to form two separate compartments. Additionally, they should be equipped with necessary supports using MS channel or angle sections. The scope of work includes all fittings, connections, and complete painting. Following fabrication, the tanks should be erected and water-tested in accordance with the engineer in charge's directions. Those who are interested to participate in the quotation should submit their quotation in the sealed cover along with a demand draft amounted to 2.5% of the project value. The demand draft should be in favour of the Secretary, Kochi Municipal Corporation. Last date for submission of quotation is 01-03-2024 before 3.30 p.m. No quotations will be accepted after the stipulated time period. The quotations submitted will be opened on the same day in the presence of the quotationers present at that time. All the rights to approve and reject the quotation without stating the reason will be vested in the Municipal Council of Kochi. Approved quotationer should submit a preliminary agreement in a stamp paper not less than 200 Rupees. More details related to this quotation will be available from the Main office Engineering section at the working hours.

Project Value - 14,25,000/-

Superintending Engineer
